Greetings,

One step at a time we are walking and raising funds for the American Diabetes Association's signature fundraising walk, **Step Out: Walk to Stop Diabetes**. Every step we take and every dollar we raise will make a difference in the lives of 25.8 million Americans living with diabetes. What can you do to help?

- Join our team and help us Stop Diabetes by raising funds to reach our goal!**
- Make a donation to support our team, Beta Epsilon Sigma Chapter.**

No matter how small or large, your generous donation will help us stop diabetes. Either way, you will be helping the Association provide community-based education programs, protect the rights of people with diabetes and fund critical research for a cure. Did you know that 1 in 3 children in the United States face a future with diabetes?

The Association works everyday to change the frightening future that diabetes has in store, but we need your help. Please make a donation to our team. Who else do you know that has diabetes? Please make a donation on their behalf. Or ask them to join you as we walk to Stop Diabetes!

Please make online donations by:

- 1) Clicking: <http://main.diabetes.org/goto/PhiBetaSigma>
- 2) Select "**Join Team**" next to team name "**Phi Beta Sigma (Beta Epsilon Sigma)**"
- 3) Follow instructions step by step
